## GOTR-EC 5K RACE

**Become a sponsor of the Girls on the Run of Eau Claire County 5K.** Help us to reach our vision of creating a world where every girl knows and activates her limitless potential and is free to boldly pursue her dreams. We are one of over 170 Girls on the Run (GOTR) independent councils across the country under the umbrella of GOTR-International.

Thanks to the support of the community, GOTR-EC has had a great start. Since our inception in 2006, we have served over 300 girls, with many repeating the program multiple years. We need your continuing support so we can train more coaches and offer our after-school program at sites throughout the county, ensuring all girls get the opportunity to be in Girls on the Run (3rd-5th grade) or Girls on Track (6th-8th grade).

We also need your support so we can provide scholarships to girls from low-income families. To date, 78% of the girls have received some level of scholarship.

**Our 10-week after-school program** instills self-esteem and strong values through health education, life skills development, mentoring relationships, and physical training – all of which are accomplished through an active collaboration with the girls, their parents, volunteers, and the community.

### Our goal is for each girl to:

- *Recognize our power and responsibility to be intentional in our decision making*
- *Embrace our differences and find strength in our connectedness*
- *Express joy, optimism and gratitude through our words, thoughts and actions*
- *Nurture our physical, emotional and spiritual health*
- *Lead with an open heart and assume positive intent*
- *Stand up for ourselves and others*

The program is led by trained coaches who share the joy of being active while motivating the girls. Topics include positive communication, cooperation, team building, healthy nutrition, goal setting, listening, and community service.

Please join us as a Girls on the Run of Eau Claire County 5K sponsor!
